**Please make sure that the union has you most accurate and up to date contact information. Please contact your steward if you need to have corrections made.**

## **WORKER COMPANSATION-**

- 1. Please notify your Union Steward.**
- 2. While out on Worker's Compensation you are responsible for your UNION DUES. Do Not assume that the one (1) sick day a week allowed to use to cover payroll deductions includes payment of UNION DUES because most of the time that day's pay only covers weekly insurance premiums. Checks should be made payable to Local Union 1144 and mailed to the above P.O. Box in East Taunton.**
